

When it comes to paying employees, laws and the IRS have made the payroll function a time consuming nightmare for the small business owner. Small business owners spend an average of eight hours a month performing payroll functions. That's 12 full days a year that could be spent generating sales, prospecting new business opportunities, improving products or services, or servicing customers. Let's see how we can help get you back to running your business!

We Make it Easy for You

Choose From Options, Including:

- Online payroll data entry
- Enter payroll data quickly and easily – anytime, anywhere
- Online access to key documents for employees
- Give employees direct online access to pay stubs, W-2s, and W-4 information, 24/7
- Printing of paychecks
- Print payroll checks from your own printer – saving you time and delivery costs
- Background checks
- Human resource services
- Labor law posters
- Tax-advantaged benefits services
- Harassment prevention training
- Compliance training and tools
